

Aurora® Exterior Doors

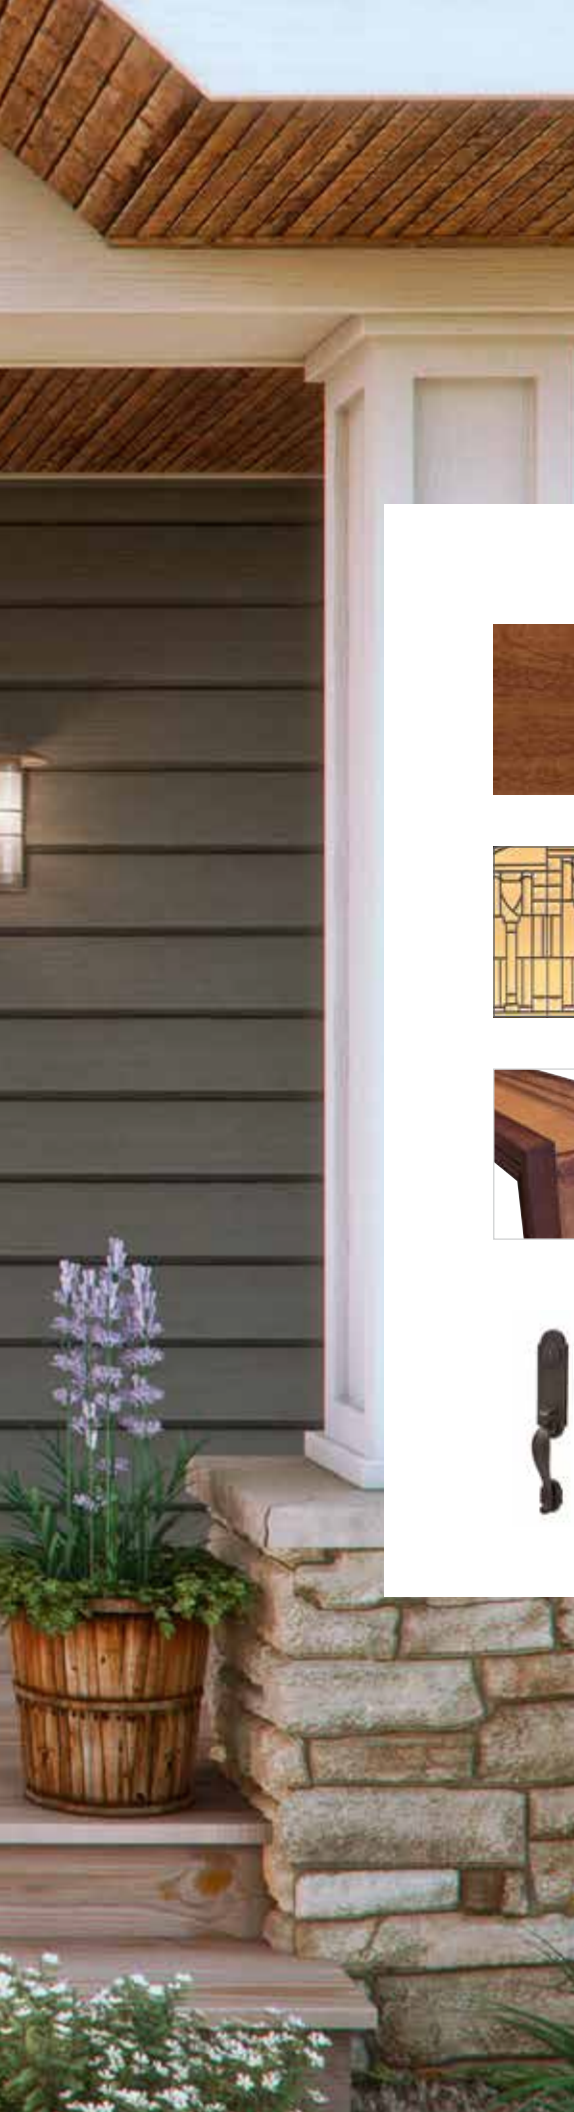

Quick Selection Guide

In the hands of JELD-WEN artisans, fiberglass is transformed into exceptionally beautiful doors

These doors feel and look like solid wood, even down to the knots and other character marks. To enhance them, we offer luxurious woodgrain finishes, sparkling glass options and charming hardware selections to support any design preference and architectural style. The combination of options you select allows you to enjoy a customized look. Whatever you choose, the resulting masterpiece will endure year after year.

Superior doors crafted to suit you

JELD-WEN® Aurora® fiberglass doors will consistently stand up to any climate — hot or cold, wet or dry — yet they look virtually indistinguishable from solid wood and come with a Limited Lifetime Warranty and a 5-Year Limited Warranty on finish. This makes them the most unique fiberglass doors available today. In fact, they're the world's finest. We've created these reliable and remarkable doors in many architecturally-inspired designs and with a vast range of options, which allows you to make our artistry your own.

Contemporary Collection

Aurora® Contemporary exterior doors are an architecturally-authentic choice for homes with modern design, while the visual warmth of these styles makes many of them appropriate for traditional homes as well.
